## Cornerstone Partner

**Cornerstone Partners** is a group of businesses interested in White County Medical Center and in continuing the provision of quality healthcare services. Members make a three year pledge to the White County Medical Foundation. These funds are directed by the White County Medical Foundation Board and Development Council to support projects and programs in the effort to enhance healthcare in our community.

Your business is cordially invited to become a member of Cornerstone Partners and participate in the exciting future of White County Medical Center. As a member, you will join a group of civic-minded businesses that value WCMC as a cornerstone of quality healthcare in the community and one of the area's most valuable resources.

The members of Cornerstone Partners serve as an important part of the overall solution. Together, they support the White County Medical Foundation in providing funds not otherwise available to White County Medical Center, making possible significant and exciting health and wellness improvements in our community.

Cornerstone Partners is one of several fundraising activities organized by the Development Council of the White County Medical Foundation.

## My Hospital

**White County Medical Foundation** is a not-for-profit corporation established as a charitable organization to provide support to White County Medical Center. The Foundation is committed not only to medical excellence and compassionate care but also to improving the overall health of the entire White County Medical Center service area.

Gifts to the White County Medical Foundation provide WCMC with funds for renovations, state-of-the-art equipment and specialized projects to enhance patient care. Resources for the Foundation are obtained from donations, memorial gifts, planned gifts, special events and other sources. The White County Medical Foundation works to develop a lasting partnership with the community to preserve, sustain and develop White County Medical Center for years to come.

## An Exciting Future

**White County Medical Center** has a combined total of 438 licensed beds. The hospital's services include acute care, rehabilitation, adult and geriatric psychiatry. Offering advanced technology, the hospital has state-of-the-art equipment, including an open MRI and a 64-slice CT. The medical staff consists of over 150 physicians representing a wide variety of specialties. White County Medical Center is the second-largest employer in Searcy, with over 1400 associates living, working and raising families in Searcy and the surrounding communities. The hospital serves a six-county area of White, Woodruff, Prairie, Cleburne, Jackson, and Lonoke.

### A SPECIAL MISSION

White County Medical Center associates and partners through a spirit of servanthood are committed to the continuous improvement of quality patient care, the provision of highly satisfied patient care at reasonable prices, the maintenance of an adequate margin for reinvestment in new technology, facility improvements, human resources, and a leadership role for positive change in the healthcare environment.
